New Book—*Luxury Homes of Texas by Jolie Carpenter*—showcases the state's finest architects and builders with a photographic tour of their finest and most captivating creations

Southlake, Texas — *Luxury Homes of Texas* (Signature Publishing Group, an imprint of Panache Partners, October 2009) presents hundreds of vibrant photographs of exquisite residences created by 75 of Texas' most respected professionals. The impressive 368-page volume, which features the work of **Garabedian Properties**, is infused with upward of 300 full-color images showcasing the state's best in residential design and construction.

Insightful profiles introduce readers to the visionaries who have conceived of these incredible homes and brought them to life; philosophies, perspectives and creative inspirations are freely shared. *Luxury Homes of Texas* invites you to experience the state's most beautiful homes created by firms like Southlake based **Garabedian Properties**, which is celebrated for designing and building unique luxury homes, fine estates and premium remodels for special families. The homes featured within range from timelessly traditional to delightfully contemporary; each responds to its locale and is a beautiful reflection of the collaborative efforts of architect, builder and residents. This diverse collection of luxury estates brilliantly captures the essence of the coveted Texas lifestyle. Whether you're a casual reader or an industry professional, you're sure to be inspired.

A Signature Publishing Group publication, *Luxury Homes of Texas* is distributed by Independent Publishers Group and available at Barnes & Noble, Borders and Amazon.com, among other chain and independent bookstores. Signature Publishing Group creates spectacular series and custom publications for discerning readers and specializes in coffee-table books showcasing luxury lifestyle subjects, including high-end interior design, custom home building, architecture, golf, wine, art, event planning and travel.
