## Storm Recovery & Remodeling Services

Garabedian Properties, the leading luxury home builders in Northeast Tarrant County, offers full hail/storm recovery services.

Do not be misled by a stranger knocking on your door, have one of the leading family owned local builders in the region offer our services to help you recover from your storm damage. The same crews and companies that build our homes will help you repair yours.

### Value Options

We offer a roof replacement that can cut your current homeowner's insurance dramatically and help prevent future hail damage. **Safe money now and safe every year afterwards.**

Don't trust a stranger knocking on your door, we can match most legitimate offers while giving you the peace of mind that comes with having Garabedian Properties care for your home.

### Repair Options

Roof Replacement	Window/Screen Repair	Gutter Repair	
Fence Repairs	Skylight Replacement	Framing Repairs	Trash Haul Off
Paint	Sheetrock Repairs	Water Damage	Tree Removal

**Watch out for the radiant barrier pitch. Some are offering to put it down under the shingles BUT on top of the roof decking. It WILL NOT WORK and it MAY VOID your shingle warranty.**

### Insurance Services

We work with your insurance company to make sure they properly account for the storm damage to your property. Since we offer all repair services we can address all items in need of repair beyond just the roof. Insurance companies prefer to interact with proven reputable companies that have a presence in the market and stand behind their work.
